Also, one more thing. Can you let me know who, if anyone will be joining you in Detroit?

Thanks!

Hi Isaiah,

10/3 works best on our end, can we confirm that date?

Also, have you ever been to Detroit to see everything? We have a Detroit tour, which is a tour of the city that we'd love for you to join if you haven't already done so yet.

Let me know and we can work on logistics!

Thanks,

Just heard the funding announcement, that's amazing! Congrats everyone!

So stoked for you all, this has always been my favorite part of startup life. That perfect moment right after funding where you tighten all the necessary pieces, re-up on resources and kick everything into overdrive again. Excited to see what's next.

I'll work with Sarah to find a time that works best, see you all soon!

Best,
Isaiah

Thanks, Brian! Moving you to bcc to spare your inbox.

Hey StockX crew, nice to meet you all, huge fan of what you all are building.

Josh, so great to meet you too. I've never been to Detroit but have always wanted to come out, excited to finally make it happen. As Brian mentioned, I'm [REDACTED] If you have time in the next couple of weeks I'd love to come to Detroit and meet with everyone. Let me know what makes sense for timing, look forward to meeting.

Brian

Good to hear from you.

Isaiah, nice to meet you. Let me know what you are thinking. Would love to show you everything here in Detroit....the authentication operation is WAY bigger than when Brian was here :)

Adding a few people for awareness

Turns out the future is now.

CC'd is Isaiah Steinfeld who is leading our efforts on that front. He'd love to grab some time / swing through Detroit to chat more about it.

Isaiah, I'll let you take it from here.

Thanks,
